

REPORT MARKS

Each component was assessed, then assigned a mark from the rubric on pp. 4-5 of the coursework specification. Each component is worth some number of points, as specified in coursework specification. Scores are obtained by computing the percentage of the component points corresponding to the mark in the assessment criteria for each component, rounded to the nearest whole number.

The total net score is the sum of the component scores.

Section/+ Component		Mark	Score	Possible
Marks				
+	partA: <i>Introduction</i> Good.	Outstanding	14	of 15
+	partB: <i>Visualization</i> <i>Does the image have a caption or title, X and Y-axis labels, and units if not obvious?</i> The figure captions should be placed centered under the figures. Excellent.	Outstanding	14	of 15
+	partC: <i>Analysis</i> Good.	Outstanding	29	of 30
+	partD: <i>Conclusion</i> Good.	Outstanding	14	of 15
+	partE: <i>Writing</i> You must cite all claims that do not follow from your analysis.	Clear fail	5	of 15
+	partF: <i>Insight</i> Writing is not up to post-grad standard.	Clear pass	6	of 10
Marks net score:			82	of 100
Total net score:			82	of 100 = 82%
